Code of Conduct for the Forums

This Code of Conduct sets out the standards that the Forums expect of its members. It aims to provide members with an effective ethical framework in which to do business. It is not intended to be exhaustive, or to cover every eventuality, but sets out some common sense requirements to enable the forums to function smoothly and successfully.

It is the responsibility of the Chair to encourage and enable input from forum members, to ensure all voices are heard.

1. Meeting Etiquette
   As an attendee you must comply with the following requirements and any others that may be stated from time to time:
   1.1 Contribute positively to discussions concerning the issues of the meeting
   1.2 Be friendly, polite, courteous and respectful at all times to fellow members, and others present
   1.3 Not insult, abuse or use offensive language or behaviour
   1.4 Comply with Northampton Borough Councils Equal Opportunities Policy
   1.5 Demonstrate actively that you are interested in and care about the issue that you are discussing and want to make a positive difference
   1.6 Show respect for buildings, facilities and equipment being used
   1.7 Speak only through the Chairman of the meeting and not interrupt, heckle, make distracting noises or gestures
   1.8 Speak clearly into any microphone provided and comply with any instructions given about its use

2. Being Objective
   2.1 Your own experience and views should inform, but not dominate or dictate how you participate.
   2.2 If you have a specific issue with regards to a service matter to raise these can be discussed with a member of staff at the end of the each meeting or you can ask for the appropriate officer details. Meetings attended by other residents are not the place to raise any issues of this nature.
   2.3 Be Fair
   2.4 You must have and show respect for the people you deal with, and take their circumstances and personal differences into account. This is about putting equality into practice. The key is simply to respect differences fairly, so that you do not exclude anyone, or treat anyone inappropriately or unfairly because of their particular circumstances.

Breaching the Code of Conduct
   If any person’s behaviour breaches this Code of Conduct, they will be required to leave the meeting and vacate the premises where it is being held. They will not be permitted to attend future meetings unless they provide satisfactory evidence to Northampton Borough Council that they will comply with the Code – e.g. a letter of apology.

If you would like further information or if you would like to discuss the Code of Conduct please contact Vicki Rockall, Partnerships and Communities Manager at vrockall@northampton.gov.uk or on 01604 837074

2. MINUTES AND MATTERS ARISING

Matters arising

JS received the following response from NCC Highways regarding Point 8 from the previous meeting:

Northampton Borough Council and Northamptonshire County Council meet regularly to investigate the problems causing any congestion association with the bus station, and the situation is constantly monitored, and as a result revised measures will be introduced to assist in helping the traffic movements in the area over the coming months.

I am unsure what road is being referred to in the suggestion that it should be made two way, if it is Silver Street this forms part of the circulation system of the bus station and making it two way would cause operational problems within the bus station and traffic issues on Greyfriars. In connection with Abington Street, this was opened back up to traffic and the extent of the scheme was agreed and approved by both the Cabinets of the County Council and the Borough Council, no further alterations are being proposed by either Council.

3. HOMELESSNESS - HOUSING AND WELLBEING - CLLR HIBBERT AND PHIL HARRIS

SH: NBC opened the nightshelter on 6th February 2017. Many rough sleepers willing to engage with us. We have received lots of support from communities given to the nightshelter. It is working extremely well.

PH: Gave out a presentation about the nightshelter.

Still seeing entrenched rough sleepers in the town centre. Complicated by the number of beggars. Still work in progress.
Cllr Hibbert as well as other councillors is a volunteer. 60 volunteers attending to help. The nightshelter has taught us many things about homelessness. It draws on the community for support.

People beginning to stay over 4 weeks and notice a real change in people in using it. People are learning new positive behaviours.

Supply hospitals mattresses which are washable and very comfortable.

People encouraged to access support services.

If forum members want to attend – please contact Phil Harris on pharris@nothampton.gov.uk

**ACTION:** NM to distribute presentation.

**Questions:**

What was happening to people who are EU nationals not exercising their rights?

PH: Last Oct somebody died in tent. Some are staying in shelter. But some people chose not to take support. PH responded to the Coroner. We engage and engage with rough sleepers. But will have to take enforcement action if people chose to live in filthy conditions. Our outreach workers receive abuse trying to engage. These are anti-social behaviour.

Worked closely with immigration. The dept will serve EU Nationals with notice and be removed and deported back to their country of origin.

Everyone beginning in the town, has been offered support. We try and get people off the streets before they become entrenched.

Q: Does the nightshelter provide mental health services?

A: Have good links with many services.

Q: It was originally on British Rail land. Who did NBC buy property from?

Can Healthwatch attend the premises and report about it?

A: Yes.

Q: How long are you there?

A: Planning permission is for 18 months. Looking to get an extension. The use of volunteers has been a real success.

Q: If it’s only temporary and allowed to move on, what do you do with them? We didn’t see homeless people and rough sleepers in the old days. How do you solve
A: We recognise the shortage of affordability of housing and this part of the problems. So is the behaviours of some landlords. We are trying to stop this. This is a housing project and is linked to NBC. So housing is the heart of this. Employee attends meetings to find out about housing projects.

Q: What’s the criteria of selection? What does it mean “moving on?” Some people are not able to get affordable housing.

A: Access criteria: Has to be local person or has a close relative. They mustn’t be too high a risk. Eg – no sex offenders allowed due to the fact there is a nursery nearby. People who have history of violence are assessed. The people using the nightshelter must be willing to engage with support services.

Referral agency will assess and passed on to the nightshelter team. Risk assessments are checked. New people are not allowed in straight away.

A: Communities provide support and people have moved on to these mayors projects. Some people will move to Oasis House or NAASH and other places like that.

Q: What time are they allowed in?
A: 9pm – 9am. Strict on this. People come in around 9-11pm. Volunteers and staff on duty 8:30pm onwards. It goes quiet 1-6pm. Must leave 9am.

Q: This will be difficult in the winter.
A: This is why the support services need to cooperate together. Trying to co-ordinate food projects.

4. ACTION SUPPORT (SCOOTER 2 GO) - SUE ARMSTRONG

Sue Armstrong gave presentation on Scooter2Go.

Received a partnership grant of £10k to provide the service.

We can report that the service is going well and operates from L3 of the Mayorhold Car Park in the same place as the previous service.
We hire to casual users for £5 for up to 3 hours use or people can become annual members in a rolling basis for £10 a month (annual contract signed) or upfront £100 (saving £20) for unlimited monthly usage up to 4 hours at a time. If someone wants to go over the 3 or 4 hour limit they can pay an extra £5 provided all scooters etc are returned 15 minutes before we close.

People can access anywhere in town plus NGH, Morrisons and also Nene Valley Retail Park.

We also hire boot scooters and wheelchairs for overnight, weekend and week use for a reasonable fee but require notice for this.

We sell clean used mobility equipment from our base at cheap affordable prices plus new items supplied by our sponsor Shire Mobility and orders can also be made and collected from us.

We are grateful for funding and facilities from NBC plus our sponsors APS Promotions and Tangerine Red who do all signage and publicity for free and Shire Mobility who provide and service 7 scooters plus members of the public who have donated scooters to us to increase our fleet.

We have a boot scooter, 3 and 4 wheeled mobility scooters for all size of customer, wheelchairs both push and self-propelled and tri wheeled and four wheeled walkers.

People can collect from our base and return to same or if coming by bus and unable to get to us we will deliver and collect from the Bus Station and the Drapery.

Nigel Pateman and Sue Alibone run the service on behalf of Action Support and we have a couple of volunteers but could do with a few more able-bodied volunteers who can deliver and collect from the Bus Station and the Drapery.

We open Tues Thur Fri and Sat 10 till 4 and throughout July are trialling opening Wednesday 10 till 2.

We are closed Monday and Sunday and we will evaluate whether opening Wednesday is financially viable at the end of July.

Action Support based at Moulton Park supports young people and disabled adults of any age plus those made redundant later in life into employment (which can include voluntary).

We provide a full Garden Care and Property Maintenance Service plus have a Furniture and Antique Shop at Moulton Park.

We receive some funding but raise most of our money through the above services to the public and commercial customers. Scooter2Go to go is not set up to make a profit it is seen as a vital service to the public but we do require a greater uptake of the service to reach financial viability.

5. COMMUNITY NEWS EXCHANGE

RR: reported back from the PCC meeting. Was very disappointed. Was not given
information that was needed.

RR complained about the form and questions used for monitoring purposes. Has since found out that the information is believed to have been sold to everyone else. AL explained that monitoring form is used to make sure that feedback is being received by people from all backgrounds.

AL explained that monitoring is used to make sure people from all backgrounds are represented.

LF: Invited by BBC to take part on a film which should be broadcast in September. ACTION: LF to let NM know about details.

TM: Residents Association (RA) has moved to the Guildhall – we should let other RA group join us. Will have to pay a small fee towards the public liability.

Friends of Eastfield RA – had a kite flying activity.

6. SUGGESTIONS FOR ITEMS FOR FUTURE MEETINGS OR FORUM ACTIVITIES

Town centre – in particular the under pass by the law courts is filthy. Frequently see broken glass.

ACTION: Invite Cllr Hallam to give update on the Environmental Services survey.

ACTION: AL and NM to invite Stagecoach to a future meeting.

Concerns for Health Services – parking at the hospital.

NGH used have a governing body and JR and RR were both former Governors at NGH. The Governing body used to come together which formed organisations under the Health services. The board was scrapped to save costs. Instead someone has been employed. Will give maximum £5 per day to volunteers. They make it difficult for volunteers and people no longer volunteering.
