 - (ii) any condition which must under section 19, 20 or 21 be included in the licence;
- exclude from the scope of the licence any licensable activity to which the application relates
- refuse to specify a person in the licence as the premise's supervisor
- reject the licence application.

8.0 Policy Considerations

8.1 Statement of Licensing Policy

8.2 Guidance issued under section 182 of the Licensing Act 2003.

Section 9 gives guidance for determination of this application.

9.0 Committee

Each application must be considered on its own merits and any conditions attached to licences and certificates must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions

should be avoided and indeed, may be unlawful where they cannot be shown to be necessary for the promotion of the licensing objectives in any individual case.
