- ii) Appoint an auction house to negotiate a sale on behalf of the council either by auction or private sale at an agreed fee and/or rate of commission.
- iii) Negotiate a private sale.
- iv) Incur reasonable expenditure necessary to pursuing and or achieving disposal.

Cabinet agreed that all proceeds of the disposal of Sekhemka be used for the restoration of Delapre Abbey, improvements to the museum service and/or other cultural or heritage projects.”

## **Reasons for call-in:-**

- “1. The sale of the Sekhemka statue has been hurried through without careful consideration to other possible alternatives and financial implications.
2. The Cabinet report says the proceeds of sale of the statue would be ‘entirely reinvested in the town’s cultural and heritage priorities, including the restoration of Delapre Abbey’. Much more clarification needs to be given, as this statement is very vague.
3. There needs to be more consideration whether this sale is in breach of NBC’s own museums policy (Acquisitions and Disposal Policy, 2010). When Cabinet made this decision on Wednesday 12<sup>th</sup> September the relevant sections of the Acquisition and Disposal Policy was not presented to members to help inform their decision.

Therefore Cabinet may have made this decision with lack of sufficient evidence.

4. In addition, does Northampton Borough Council have legal documentation as to whether it actually owns this statue? The statue has been historically gifted and the report does not say whether any conditions of ownership were put in place. This should be investigated.

5. The Cabinet report says consultation is underway. The sale of the statue should only be considered once consultation has been completed. More consultation needs to be carried out with various stakeholders such as Friends of Northampton Museums and Art Gallery, tourist/heritage groups and local users of the Museums.”

## **Procedure for Call In Hearing**

Public speakers will be asked to address the Committee; a maximum of three minutes is given to each to make comment.

The Call-In Authors, Councillors Terry Wire and David Palethorpe, will be invited to expand upon their reasons for concern, following which the Overview and Scrutiny Committee will question the Call-In Authors.

Councillor Brandon Eldred, Cabinet Member for Community Engagement, will be invited to make a presentation outlining his main reasons for the decision. The Committee will then put questions to the Cabinet Member and Officers.

Officers will be invited to give evidence and respond to the Overview and Scrutiny Committee’s questions. The Officers will be asked to give their reasons for any recommendations or advice to Members. A question and answer session will follow.

The Call-In Authors will then be given the opportunity to add any points of clarification before any resolution or recommendation is moved.

The Chair will then sum up the findings regarding the Cabinet decision. If there are still concerns, the Chair will lead in the determination of the recommendation with reasons for consideration by Cabinet. At the conclusion of the debate and following response to all matters raised, the Chair will ask the Committee to vote to determine whether or not it upholds the decision of the Cabinet.
