11. NOTICES OF MOTION

- i) Councillor Ashraf to propose and Councillor Chunga to second:

“This Council notes in April 2012 the Coalition Government increased the discounts available for council tenants who buy their home using Right To Buy.

This Council notes it was also announced that receipts from RTB would be used to replace the housing stock.

This Council believes that while RTB has been beneficial to some people it has also had two negative impacts. Many properties have ended up in the private rented sector and in some instances have been converted into HIMOs. It has also eroded the social housing stock thus limiting our ability to help vulnerable people.

We are not building enough properties to replace those lost under RTB. For instance, since the announcement in March 2014 to build 100 new homes in Dallington we have lost at least 202 properties.

Therefore this Council supports the principle and aim of replacing every property sold under RTB within 3 years. This Council asks the Administration to take this forward for implementation.”

- ii) Councillor Davenport to propose and Councillor Cali to second:

“This Council believes we need to secure more temporary / emergency accommodation of an appropriate standard in Northampton.

This Council must strive, as far as reasonably possible to secure accommodation within Northampton. The Council must try to place an applicant as close as possible to their social networks.

This Council believes it is not acceptable that some vulnerable people are placed in Wellingborough, particularly if they have children who go to school in Northampton.

This Council calls upon the Cabinet to explore ways of increasing the supply and the quality of our temporary and emergency accommodation offer within the next two years.”
