## 9. NOTICES OF MOTION

i) Councillor Ashraf to propose and Councillor Stone to second:

BAME (Black and minority ethnic) women are disadvantaged, economically, socially and politically. They are also subject to increasing levels of domestic slavery and domestic abuse. There is a growing issue with women and their children without recourse to public funds. We know there is an issue with FGM. We therefore call on Northampton borough council to establish a working group with and for BAME women to examine the issues, and with partners, to suggest solutions.

ii) Councillor Smith to propose and Councillor T Eales to second:

Period Poverty has long been recognised as an issue for women with those who can least afford it, suffering the most. There are several national campaigns that aim to support women and make a stand against period poverty such as “Bleeding Insane Campaign” and “Red Box”.

We think that is a disgrace that in 2018 anyone should have to choose between buying food and buying Tampons, or that women and girls are missing work or school because they cannot afford sanitary products. The average cost to a woman is £4,800 during their life for sanitary products.

We call on the council to become ambassadors and set a great example for other businesses to follow by

1. Provide free sanitary products in all council work place bathrooms.
2. Establish a red box donation point and join the Red Box Project.
3. Work with our local to communities to raise awareness of this issue

iii) Councillor T Eales to propose and Councillor Stone to second:

Northamptonshire Domestic Abuse Service (formerly women’s aid) do valuable work to support victims of domestic abuse. They currently run 5 refuges with 21 beds, which will not be funded from April 2019. Partner organisation Eve is at risk of losing 13 beds. NDAS have launched a fundraising campaign to raise £100k by March to keep the refuges open for 12 months. Losing these refuges will mean that the responsibility of helping these victims out of abusive homes will fall onto NBC.

We therefore call upon this council to not only recognise NDAS for the service they have been providing to domestic abuse victims but to give some much needed financial assistance.

iv) Councillor B Markham to propose and Councillor Beardsworth to second:

This Council recognises the value of openness and transparency in communicating with the public about air quality and the steps that it is making to monitor and to reduce air pollution.

This Council notes that other authorities, such as Kings Lynn and West Norfolk District Council, make effective use of corporate websites to share information about air quality monitoring in an accessible way, including regular monthly publication of raw data from air

quality monitoring tubes.

Northampton Borough Council resolves to review the accessibility, frequency of update and timeliness of the air quality data and activity published on its own website in order to match the openness and transparency achieved by other local authorities.
