3. Issues and Choices

3.1 Report Background

- 3.1.1 In May 2011 the Secretary of State for Defence published the Armed Forces Covenant. The Covenant is intended to be a moral obligation between the Nation, the Government and the Armed Forces. A key element of it is the Community Covenant which is a voluntary statement of mutual support between a civilian community and its local Armed Forces Community. The aim of the Covenant is to encourage local communities to support the Armed Forces in their area and to promote understanding and awareness amongst the public of the issues that they face.
- 3.1.2 For the purposes of the Armed Forces Covenant, Armed forces personnel means a person who is serving in the regular forces or a person who has served in the regular forces within five years of the date of their application for an allocation of social housing under Part 6 of the Housing Act 1996, and within five years of discharge.
- 3.1.3 It also refers to bereaved spouses and civil partners leaving Services Family Accommodation following the death of their spouse or partner. It also covers serving former members of the Reserve Forces who need to move because of a serious injury, medical condition or disability sustained as a result of their service.
- 3.1.4 The principle behind the Covenant is that the Armed Forces Community should not face disadvantage because of its military service. In some cases, such as the sick, injured or bereaved this means giving consideration to enabling access to public, voluntary or commercial services that civilians do not receive.
- 3.1.5 The Covenant covers issues such as housing, education and welfare support after military service has ended.
- 3.1.6 Although there is not a large military presence in Northampton or the wider county, the council has strong civic links with C Company, The Royal Anglian Regiment (the successors to the Northamptonshire Regiment) and with The 9th/12th Royal Lancers. Both regiments recruit locally and it is likely that such recruits will resettle here once their service has ended.
- 3.1.7 On 3rd October 2012, Cabinet agreed to support the signing of the Armed Forces Covenant. The 3rd October report instructed officers to develop proposals indicating what actions the Council could take to give effect to the principles of the Covenant in Northampton.
- 3.1.8 The Northampton Armed Forces Community Covenant was subsequently approved by Cabinet On 13th February 2013 and by Full Council on 11th March 2013.
- 3.1.9 On 4th March 2013 there was a formal signing ceremony for the Community Covenant when representatives of the Armed Forces, the Council, the charitable and voluntary sector and the civilian community of Northampton added their signatures to the covenant in recognition of their commitment to the Northampton covenant.

3.1.11 A multi-agency steering group has been established to keep the action plan under regular review, to manage and monitor its delivery and to add new actions as they are identified and agreed.
