Overview and Scrutiny Annual Report 2018/2019

A Message from Councillor Jamie Lane, Chair, Overview and Scrutiny Committee

This Annual Report is a summary of just some of the work Overview and Scrutiny (O&S) has done this year, what has worked well and what issues we need to concentrate more on next year.

It has been another very busy and interesting year for O&S with four in-depth reviews being undertaken and a Working Group undertaking Scrutiny activity:

- Homelessness and Rough Sleepers
- Northampton Post Unitary
- Impact of the Move of the University
- Adult Social Care Facilities
- Evaluation of the success of Overview and Scrutiny reports at Northampton

The Scrutiny Panels reported their findings and recommendations to the Overview and Scrutiny Committee at its April and June 2019 meetings.

I have continued to promote the good work of Overview and Scrutiny at Northampton wider. This year I presented the work that Overview and Scrutiny does regarding public engagement in the O&S process at Northampton at the Centre for Public Scrutiny Conference in December 2018. I was delighted that they promoted this work in their publication [Scrutiny Frontiers](#).

Overview and Scrutiny work is member-led and evidence-based. It is fundamental that the work of scrutiny adds value and improvement and I feel the conclusions and recommendations from the in-depth Reviews undertaken this year have really demonstrated that. I will be pleased to present all five reports from 2018/2019 to Cabinet in the summer and autumn of 2019.

Once again, we asked the citizens of Northampton to suggest topics for Scrutiny reviews. There were over fifty suggestions from the public. I emphasise that Overview and Scrutiny values and encourages the input of the public into its Work Programming. Non-Executives carefully considered the suggestions at a workshop held in April 2019. From these suggestions, Cabinet's priorities for the year and ideas put forward by Councillors, the Overview and Scrutiny Committee approved its Work Programme 2019/2020 at its April 2019 meeting.

The Committee scrutinised the Council's budget proposals by delegating work to its Reporting and Monitoring Working Group who identified three budget proposals for the Committee to scrutinise in-depth. This Working Group will continue to meet during the Municipal year 2019/2020. I highlight that this is a process that has previously been noted as best practice.

I would like to thank all those who have been involved in and have supported Scrutiny over the past year. I would like to thank all those who have been involved in and have supported Scrutiny over the past year. In particular, I would like to thank my colleagues who chaired the Scrutiny Panels and Working Groups last year. These achievements are recognised in this report.

Overview and Scrutiny welcomes and encourages members of the public who live or work in the borough to get involved in Scrutiny. If you have any suggestions for the work of scrutiny we would welcome your comments by post or [email](#). For more information about scrutiny and to view current and past reports, please visit our website at www.northampton.gov.uk/scrutiny.

Instead of a complete commentary of all that O&S has achieved over the year this Annual Report provides a summary of the key highlights of the work O&S has been engaged in during 2018/2019. I hope it reflects what I feel has been a very important year in Overview and Scrutiny at Northampton.

I do hope that you find this report informative and interesting.

Overview and Scrutiny Annual Report 2018/2019

Achievements

How was this impact made during 2018 – 2019 ?

The Scrutiny Panels carry out in-depth Scrutiny reviews, whilst the Overview and Scrutiny (O&S) Committee concentrates on strategic issues, including holding the Cabinet to account, performance management and scrutiny of crime and disorder. This structure attracts increased public participation and the involvement of non-Executives in Scrutiny reviews.

Involvement of Non- Executives (not Scrutiny Members) in Overview and Scrutiny

The O&S structure enables non-Executives, who are not members of the O&S Committee, to be fully involved in the O&S process.

All of the four Scrutiny Panels this year had non-Executive Councillors who were not O&S Councillors as members of the Panels. Membership for the Scrutiny Panels closed quickly as they reached maximum capacity of seven Members; this enabled the option of appointing a co-optee.

Key Example: The Scrutiny Panel that investigated Adult Social Care Facilities was made up of seven non-Executives, of which four were not O&S Councillors, demonstrating involvement of non-Executives in the O&S process.

Co Optees to Scrutiny Panels

Three of the Scrutiny Panels this year benefitted from the expertise and knowledge of co optees. The Deputy Lieutenant and a previous Mayor sat on the Scrutiny Panel (Northampton Post Unitary), the Vice Chancellor sat on the Scrutiny Panel (Impact of the Move of the University) and the Director of the Umbrella Fair sat on the Scrutiny Panel (Homelessness and Rough Sleeper).

It was a privilege and honour to have been co-opted to Scrutiny Panel 3 which was looking at how to maintain and increase civic pride and ceremonies in Northampton. The group was looking at what Northampton should reflect and improve when the two Unitaries are formed. To have the opportunity to share my own ideas and to hear those of others has given me a much better understanding of the work being done to further improve the lives of the residents of the town and thus its impact on the whole County. The Councillors led meetings that were well organised and participation by organisations and individuals led to very good debate/discussions. I always felt that I was a valued member of the Scrutiny Panel.

Co Optee – Scrutiny Panel – Northampton Post Unitary

Overview and Scrutiny Annual Report 2018/2019

It was a great privilege to be co-opted onto this Scrutiny Panel about the future of Northampton "post unitary." As a historian and as a previous Mayor of Northampton I believe it is very important to preserve and protect the traditions of our town and our 800 year old Mayoralty. It was very interesting to hear that so many organisations also share these concerns and are anxious not to lose our ancient heritage.

Lee Mason

Co Optee – Scrutiny Panel – Northampton Post Unitary

Crime and Disorder Scrutiny

Key Example: Crime and Disorder Scrutiny is an example of excellent working relationships between non-Executives and partners.

The scrutiny of crime and disorder was formalised in 2010, putting in place clear working arrangements between the Chair of the Community Safety Partnership (CSP) and the Committee. An annual report from the CSP informs the O&S Committee of work undertaken; non-Executives decide whether further review or scrutiny is required. This report focuses on the levels of performance in the light of reduced resources, if so what measures have been taken to meet any shortfall in performance. This demonstrates excellent working relationships between non-Executives and partners.

Overview and Scrutiny acts as a critical friend, it is constructive and focuses on the priorities of local people, which feeds into the priorities of the Council and its partners. The work of the committee adds great value to the delivery of the community safety partnership strategy.

Vicki Rockall

Community Safety and Engagement Manager

The O&S Committee has also looked at:

Anti Social Behaviour

Enforcement Issues – Adults riding bicycles on pavements

Performance Management Scrutiny

A process enabling the Committee to identify key performance measures earlier on was introduced in 2013/14. The Committee informs the Chair prior to a meeting of the O&S Committee of performance measures that it feels warrant future scrutiny.

The scrutiny of specifically identified measures is included on the agenda of meetings of the O&S Committee. This results in measures being reviewed on an exception basis with relevant Cabinet Members being called to present information to the Committee. Cabinet Members are scrutinised on performance, the causes of underperformance and the corrective actions being taken. Active debate is undertaken and support and challenge is offered to the recommendations being made to deliver service improvements.

Overview and Scrutiny Annual Report 2018/2019

Key example: Performance management scrutiny of:-

- PP06% change in serious acquisitive crime from the baseline
- PP07% Hackney carriage and private hire vehicles inspected which comply with regulations
- HML01 total number of households living in temporary accommodation
- HML07 number of households that are prevented from becoming homeless

Critical Friend to Cabinet

Call-In

At Northampton call-in is used sparingly. During 2018/2019 there were no Call-In Hearings.

Influencing Policy Development

Four in-depth Scrutiny reviews and one comprehensive Scrutiny activity was undertaken during 2018/2019:

Homelessness and Rough Sleepers
Northampton Post Unitary
Impact of the Move of the University
Adult Social Care Facilities
Evaluation of the success of Overview and Scrutiny reports at Northampton

Review work of 2017/2018 has received Cabinet's response. Almost all of the recommendations were accepted, which highlights that Overview and Scrutiny is continuing to make significant influence of Council policy, both in terms of holding the Cabinet to account and contributing to policy development, and the well-being of the citizens of Northampton.

Raising the profile of Overview and Scrutiny at Northampton

The profile of O&S has continued to be raised with a number of important and successful reviews carried out during 2018/2019. O&S is keen to keep this up and invites suggestions for the work programme from various partners, Agencies and members of the public.

The Centre for Public Scrutiny highlighted the work of O&S at Northampton in its publication - [Scrutiny Frontiers](#).

The Chair of the Scrutiny Panel – Homelessness and Rough Sleepers, and the Democratic and Member Services Manager gave a presentation to the East Midlands Councils Scrutiny Network on the evidence gathering process of this Review, which was very well received.

Overview and Scrutiny Annual Report 2018/2019

The Scrutiny review process at Northampton is widely recognised both within the Council and amongst the citizens of Northampton which is demonstrated by their attendance and interest in the O&S Committee and its Review work.

The O&S Work Programme received extensive press coverage, locally, which just under 40 individuals responded to, suggesting over 50 ideas for future Scrutiny review.

Paperless Overview and Scrutiny

As reported in the last four year's Annual Reports, the innovation attracted national interest. External interest in the innovation has again continued this year, with a number of enquiries regarding the success of the paperless Committee.

Public engagement within the Overview and Scrutiny process at Northampton

O&S has included various issues referred to it from the public onto its Work Programme. The details below provide key points of how O&S work has reflected the concerns of service users.

Key Example of review work during 2018/2019:

Impact of the Move of the University of Northampton

The report of the Cemeteries Scrutiny Review will be presented to Cabinet in the Municipal year 2018/2019. The O&S Committee will begin monitoring of the accepted recommendations in the spring 2020.

The purpose of the Scrutiny Panel was to review the impact on the town and local areas; including student accommodation, concentrating on:

- To understand the work currently being undertaken by the University of Northampton, Northampton Borough Council (NBC), and other partners regarding the move of the University
- To gain an understanding of the social, cultural, physical, economic and environmental effects of the move of the University
- To gain an understanding of the challenges, including all areas of the town, in respect of the move of the University

The Scrutiny Panel was made up from members of the Overview and Scrutiny Committee – Councillor Graham Walker (Chair), Councillors Sam Kilby-Shaw (Deputy Chair of the Scrutiny Panel), Councillors Jane Birch, Gareth Eales, Penny Flavell, Dennis Meredith together with other non-Executive Councillor Danielle Stone. The Scrutiny Panel benefitted from the expertise of the co-optee, Jane Bunce, University of Northampton. The Scrutiny Panel received both written and spoken evidence from a wide variety of expert advisors. Desktop research was carried out by the Scrutiny Officer. Representatives undertook site visits to the University of Northampton, of which produced a

wealth of information that informed the evidence base of this high profile Scrutiny review. The Scrutiny Panel was very impressed by the facilities offered at the University of Northampton at its new site. Following the collation of the evidence, the Scrutiny Panel drew various conclusion and recommendations that are contained in the report. The Review took place between May 2018 and April 2019.

Co-Opted Members

This year, the Scrutiny process chose to engage the expertise and knowledge of co-optees in its review process for all of its in-depth reviews. It also fully utilised expert advisors in the witness evidence process. Further details are contained at page 2 of this Annual Report.

Review work 2018/2019

O&S at Northampton has undertaken some excellent review work again this year.

The best practice Scrutiny review work has continued to be built upon. Over the last year, Scrutiny reviews have attracted interest from both external organisations and the public.

Overview and Scrutiny at Northampton continues to be Councillor-led and focuses on the major issues affecting the town. It has therefore carried out some very high profile reviews this year, the impact of which will be reported in next year's O&S Annual Report:

Scrutiny Panels

The Scrutiny Panels obtain information to inform the Review through a variety of methods, including:

- Research and briefings commissioned from officers
- Select committee-style meetings with external experts and relevant officers
- Informal interviews
- Site visits
- Surveys

Some meetings of the Scrutiny Panels are often held in a 'Select Committee' format, with the Scrutiny Panels seeking evidence through a question and answer session with senior officers, Cabinet Members, external experts, representatives of interested groups or members of the public who have relevant experience.

Homelessness and Rough Sleepers

The objectives of this Scrutiny Panel was to review ways in which the Council and its partners engage with rough sleepers and long term homeless individuals, consider the best way in which 'Housing First' can be used to reduce rough sleeping in the borough, and understand the nature and extent of 'hidden homelessness' and how it can best be addressed.

Key Lines of Enquiry

- To consider the effectiveness of the action that is being taken (by NBC and local groups, services and organisations) to help people who are sleeping rough to come off the streets.
- To gain an understanding of the 'Housing First' model and consider how best it could be used to reduce rough sleeping in the borough.

- To explore various ways of connecting with, and engaging with, harder to reach groups
- To gain an understanding of the specific needs and assistance provided for young people, between the age of 16-25, including care leavers.
- To gain an understanding of the specific needs and assistance provided for ex-Offenders
- To understand how data, statistics and demographics are gathered and used to meet the needs of rough sleepers, men and women, who are homeless

The recommendations were around:

Additional bed spaces for homeless women in the borough
Housing solutions
Refresh of the Rough Sleepers' Strategy
Plan for strengthening equal relationships and partnership working
Social Media Strategy
Multi-Agency Publicity Campaign

The report will be presented to Cabinet in the Municipal year 2019/2020.

The Scrutiny Panel was made up of non-Executives, myself, Councillor Zoe Smith (Deputy Chair); Councillors Sally Beardsworth, Jane Birch, Gareth Eales and Ian Bates from the Umbrella Fair was co-opted to the Review. The Review took place between May 2018 and May 2019.

Overview and Scrutiny Annual Report 2018/2019

This was an informative and at times, intense Review, with clear evidence received, exploring why individuals become homeless, a social and community phenomenon which is growing every year. I thank all those who contributed and gave their time to attend a meeting of the Scrutiny Panel to provide this information and all those who provided comprehensive written evidence. I would particularly like to convey my thanks to those individuals who shared their experiences with the Panel about their experiences when sleeping rough and being homeless; this information has greatly informed the evidence base of this high-profile Scrutiny Review

The Scrutiny Panel held interviews with Cabinet Members, senior officers at Northampton Borough Council and a number of key external expert witnesses. Desktop research was carried out by Tracy Tiff, Scrutiny Officer. After each meeting the Scrutiny Panel would watch a short film, such as a TED film on research into Housing First, homelessness and rough sleeping.

The value of these short films was very useful and provided additional information to the Panel. The result is an important piece of work which, when presented to Cabinet, offers several key recommendations around reducing homelessness and managing rough sleepers in the borough. I would like to thank everyone who participated and contributed to this very important piece of work.

Scrutiny Panel 1 – Homelessness and Rough Sleeping***

The Impact of the Move of the University

Overview and Scrutiny Annual Report 2018/2019

- The creation of a Civic Quarter

A comprehensive review took place between June 2018 and May 2019. A wealth of background data and information was received by the Scrutiny Panel and a series of interviews with a number of key expert advisors were held. A number of organisations and community groups provided written information. Informative site visits also took place. Desktop research was undertaken by the Scrutiny Officer, the findings of which informed the review. Information gathering was very important to this review so that the Scrutiny Panel could map the civic events and ceremonies that the Mayor of Northampton is involved in. This enabled the Scrutiny Panel to devise its recommendations that will be considered by Cabinet later this year. As part of the monitoring regime, Overview and Scrutiny will review this report six months after Cabinet has received it. I would like to thank everyone who took part in this in-depth piece of work.

What are our Challenges for 2019/2020?

- To build on Overview and Scrutiny's achievements by setting stretching targets to broaden our impact. An example would be to ensure the Committee continues to undertake pre-decision scrutiny activities.
- To ensure that Overview and Scrutiny continues to make a positive contribution to the development of policy and the continuous improvement of the Council's operations.
- To continue to ensure the O&S work programme reflects concerns of service users, community and public – ensuring that a wide range of organisations, partners and the public are consulted with for suggestions for scrutiny review and then on the actual work programme.
- To ensure O&S is able to respond effectively to legislative requirements, such as the new powers, for example, wider powers to influence policy and public service delivery in their area – for example investigated issues beyond its traditional remit but affect local people.

Overview and Scrutiny Annual Report 2018/2019

- To continue to ensure O&S works with the community and key partners to respond to concerns. We often do this by involving the community and key partners as witnesses or co-optees to our Scrutiny review process.
- To continue to ensure that the work of O&S has a positive effect on decision-makers and provide evidence that it has made a real difference.
- To continue to increase public participation in O&S at Northampton by increased public suggestions for scrutiny review and increased attendance at O&S Committee and Panel meetings. This process has continued to increase year on year.
