Aspires to be a city of culture in 2025

Update : 10th June 2019 Overview and Scrutiny Committee

Following research by Officers, Members and Partners regarding submitting a bid to be a city of culture it was proposed that a long term strategic vision and aim for Northampton to be a city of culture for 2029 would be launched. It was realised that 2025 was too soon. The Arts Council was supportive. It was commented that by this time projects such as the Vulcan works would be completed. Work will continue and funding would be identified

Very few heritage funding organisations offer grants to public bodies for maintenance and upkeep purposes. We have successfully secured funding for the Notre Dame project, (the site is not protected formally).</p> <p>In addition there are plans for a monument clean-up at St Giles Church in preparation for Mayflower 400. Toby Norman-Wright, Senior Relationship Manager from the Arts Council, was also at the meeting and he is very keen that we submit a proposal to them to be one of the early adopters. A Cultural Compact is essentially a partnership beyond just the cultural sector, but also involves the business sector as well as health, and the voluntary and community sector. The view is, once established, to develop several key priorities as well as a broader cultural strategy for the town. This will very much play into the wider work that we are doing and where we see culture as a unique selling point of Northampton</p>

				<p>Update December 2019 A proposal was submitted to the Arts Council for funding to develop a Cultural Compact for the town. In December ACE confirmed we had been successful in securing monies to develop the Compact. Work on this will begin early in 2020</p> <p>Update March 2020 Work is continuing with regard to the development of the cultural compact and an action plan is being developed and a Job Description and Person Specification is being written for the appointment of a cultural compact director. The director will lead on the production of an ambitious and outward looking 10 year strategy and a highly focused 5 year business plan to amplify the social and economic impact of culture, secure additional investment and drive measurable progress towards a set of shared priorities and ambitions.</p> <p>Update August 2020 Limited progress since March due to Covid and the cultural sector in Northampton have been focused on their own areas of activity. Work has now started regarding advertising a role to progress this which will be advertised in in September 2020</p>
